

Criterion F: Feedback from client

Question	Yes/No	Comments
Are you pleased with the product?	Yes	The website is simple and easy to navigate. It has everything I need to get started.
What do you like about the website?	–	I like that the information is easy to see on each page. I also appreciate the touches like clicking on a picture to expand it.
What do you dislike about the website?	–	I dislike that there is no way to purchase multiple items at once through the checkout form.
Does the website function how you expect it to?	Yes	The layouts are good for my needs right now.
Does the website have the structure you were looking for?	Yes	I like that everything links to each other.
Are you satisfied with the look of the website?	Yes	The website had a consistent look and theme, which I appreciate. I loved the logo that was made, and all the small touches like the button changing color when hovered over.
Have the specific performance criteria been met? <ul style="list-style-type: none"> • A consistent layout with neutral color theme • An easily viewed navigation bar 	Yes	All the pages had a similar look. The navigation bar was right at the top and easy to spot. There is a dedicated place for contact information, which also showcases the announcements we make on our Facebook page. The

<ul style="list-style-type: none"> • A place for contact with the client, as well as links to WhatsApp and Facebook • A form to input payment information • Include pricing and images provided by the client • All final files are backed up 		<p>form is there with all the information I could request. All the pricings and images I have provided are on display in the catalogue. I have been sent the files of the website to store if I need a backup.</p>
